

ABOVE GROUND STEEL DISPENSER CONTAINMENT FOR WAYNE S1 B-8800-S1-W (WALL MOUNT)

GALVANNEALED & EPOXY POWDER COATED STEEL

Hanging Dispenser Containment

The B8800-S1-W Secondary Containment wall mount dispenser platform for either pressurized or suction installations allows you to mount dispensers locally. This is beneficial if space is scarce or if the tank needs to be mobile.

- Includes UL listed stabilizer brackets
- Accommodates all types of mechanical and electronic shutdown devices
- Rugged 12-gauge steel construction
- Galvannealed & epoxy powder coated
